

Join the team

Southeastern Equipment Co., Inc.

Become a Southeastern Equipment Technician

- Highly competitive wages
- Uniforms provided
- Benefits include life and health insurance and 401K plan program
- Performance awarded with increased salary and responsibility

Continuing Education

- Each technician enrolls in classes for 3 or 4 days, twice a year
- 10 training courses are available
- Quarterly classes are available for Case equipment, plus unlimited web based training
- Weekly safety training

Our Company

- Founded in 1957, with 18 locations throughout Ohio, Indiana, Kentucky and Michigan and over 200 employees
- We are the largest privately owned Case dealership in the world and the largest Kobelco dealer in the U.S.
- Other brands include New Holland, Gradall, Kubota, Terex, Bomag, Hyundai, Vacall and more!

There's always room for growth

Many of our technicians have become sales managers and branch managers
